

Level 1 Disposable Poly Gown - BE300

With the ongoing COVID-19 pandemic, and an increase in demand for PPE, Mopec recognized a need for gowns that actually provide healthcare workers with an adequate level of protection and comfort. These level 1 disposable gowns are light and breathable. The over-the-head design makes them easy to put on and take off, while the long sleeves and thumbhooks ensure all-day comfort. These gowns effectively protect against harmful germs, disease, and viruses. One-time use only. Dispose of immediately after use.
