Capabilities Statement

ABOUT US

From our beginnings, we have been proudly developing, designing, manufacturing, and distributing in the USA. We are the leading experts on anatomic and forensic pathology, allowing us to elevate pathology with the most advanced platform of equipment and supplies for an integrated ecosystem to optimize pathology workflows, specimen tracking, and user safety. We've been working hand-in-hand with pathology professionals for over 30 years, developing systems and solutions that facilitate safer gross examinations. As anatomic pathology has evolved, Mopec Group has been at the forefront, getting feedback, improving design, and solving problems. We are innovators. We are collaborators. **We are growing.**

Our Mission

As part of Mopec Group, we share the mission of empowering pathology and anatomy professionals with the leading platform of products and solutions for the advancement of diagnostic accuracy, safety, research, education, and the treatment of disease.

Our Vision

We are the only logical choice for pathology & anatomy professionals.
