This technical drawing illustrates a double scissor lift table. The main view shows two vertical legs connected by a horizontal crossbar at the top. The distance between the vertical legs is 70.3. The height of the table is 25.3, measured from the base to the top horizontal bar. The width of the table is 51.4, measured from the center of the left leg to the center of the right leg. The drawing also shows the table's height when it is fully extended, with dimensions 35.0 and 35.9 indicated for the vertical height of the legs. A section view labeled 'SECTION A-A' provides a detailed look at the internal mechanism, showing the scissor linkages and the height of the table when it is partially extended. The drawing is annotated with letters A through G along the vertical axis to indicate specific measurement points.

The image contains two logos. The top logo is 'MOPEC GROUP' in a large, bold, blue sans-serif font, with 'GROUP' in a smaller font below 'MOPEC'. The bottom logo consists of two parts: 'Moppec' in a blue script font with a red swoosh, and 'MORTECH' in a large, bold, black sans-serif font. Below 'Moppec' is the tagline 'ELEVATING PATHOLOGY' in a smaller, black, sans-serif font. Below 'MORTECH' is the word 'MANUFACTURING' in a smaller, black, sans-serif font.
