

Autopsy Carrier with Handcrank

Mopec's Autopsy Carrier with Handcrank combines lightweight durability with smooth, controlled height adjustment. Its construction offers corrosion resistance and easy cleaning, while the manual handcrank allows precise positioning during transport and handling. Designed for reliability and everyday efficiency, it provides a practical solution for mortuary and pathology environments.

600017-C

SPECIFICATIONS

Construction

- Single sided elevation/tilt
- For use with T3603 Plastic Body tray only (not included)
- (4) locking casters

Materials

- 11ga 1.5" SQ 304 Stainless steel frame with a No.4 polish finish
- Hydraulic hand crank powered actuators

Dimensions

- 82.2" L X 30.7" W X 34.5" to 42" H (lower to higher end)
