

# Heavy-Duty Body Bags

These heavy-duty body bags are made from durable, chlorine-free polyethylene that remains flexible in extreme temperatures and supports substantial weight. Designed with multiple reinforced carry straps and a secure inner liner, they provide reliable handling and effective containment while meeting OSHA standards for safety and protection.

FS074

## SPECIFICATIONS

### Construction

- Equipped with 10 carry straps
- Heat-sealed inner bag liner

### Weight Capacity

- 450 lbs

### Performance

- Complies with OSHA regulation 3130
- Long shelf life
- Stays flexible up to - 70° F

### Quantity

- FS074: 5 per case
- FS075: 3 per case

### Materials

- 12 mm chlorine-free polyethylene

## Variations

Model No.	Dimensions	Quantity
FS074	36" X 96"	5 per case
FS075	48" X 100"	3 per case
