

Plastic Resealable Evidence Bags

Heavy-duty resealable evidence bags designed for secure collection, storage, and transport of forensic materials. These bags provide reliable strength for heavier contents and can be repeatedly opened and sealed, or permanently secured with evidence tape or heat sealing. Available in multiple sizes, they offer a versatile solution for maintaining evidence integrity in the field or lab.

SPECIFICATIONS

Performance

- Can be opened and closed repeatedly
- Bag may be sealed with evidence integrity tape or impulse sealer

Materials

- 4 mm polyethylene
