

Evidence Bag Heat Sealer

A heat sealing device designed for securely closing evidence bags and maintaining chain of custody. It creates a strong, tamper-evident seal on plastic evidence packaging, helping ensure integrity during storage and transport in forensic and law enforcement applications.

SPECIFICATIONS

Construction

- Temperature control knob

Materials

- Heavy-duty Kraft paper stock

Performance

- Seals bags in the field or in the lab
- No warm-up time
- Uses 120V AC current

Variations

Model No.	Size
FS158	8"
FS159	12"
FS160	20"
