

Water Container, 64 oz

A durable, lightweight plastic container designed to provide a convenient, portable source of clean water in the field. With a 64 oz capacity, it is ideal for mixing casting materials, helping ensure accurate preparation and consistent results. Its sturdy construction supports easy transport and handling, making it a practical accessory for forensic and evidence collection applications.

FS328

SPECIFICATIONS

Performance

- For easy transportation of water for casting

Capacity

- 64 oz
