

AccuTrans® Cartridge Tube Refills, Various Colors

These AccuTrans® Cartridge Tube Refills are replacement cartridge tubes of forensic casting material designed for use with the AccuTrans® dispensing system. Made from a non-toxic polyvinylsiloxane evidence casting material that is flexible, highly resistant to tearing, and provides strong dimensional stability for accurate evidence casting.

For reference only: AccuTrans® Starter Kit

SPECIFICATIONS

Construction

- Non-toxic polyvinylsiloxane evidence casting material provided in various colors

Quantity

- 4 per package
