

Super-Invisible Thief Detection Powder, Neutral/Green

Nontoxic thief detection powders are designed to identify individuals who have handled or tampered with treated items such as cash, currency, or security devices. The powder transfers on contact and becomes visible or fluorescent for easy detection.

SPECIFICATIONS

Performance

- Detects handling or tampering of treated objects
- Transfers to hands and clothing upon contact
- Fluoresces under UV light for identification
- Stain intensifies and remains visible even after washing
- Recommended for indoor use
