

# Disposable Pipettes

These Disposable Pipettes are designed for the safe collection and transfer of liquid samples into MMC test ampoules for substance testing. They provide a simple, single-use solution for handling samples such as GHB, GBL, and liquid XTC.

## SPECIFICATIONS

### Performance

- Collects and transfers liquid samples accurately
- Dispenses samples into test ampoules
- Supports testing of substances like GHB, GBL, and liquid XTC
- Single-use design reduces risk of cross-contamination

### Quantity

- 100 per pack
