

Medium 11.25" Measuring Wheels

Designed for accurate distance measurement in forensic, investigative, and field applications, this 5 lb., 11.25" Medium Measuring Wheel is built to handle rough terrain like open fields and wooded areas. Featuring a large wheel that won't get bogged down by uneven ground, it allows you to quickly and precisely cover long distances up to 10,000 feet (or 10,000 meters).

FT422 - FT423

SPECIFICATIONS
