KNIVES

Multi-Edge Diamond Hone Knife Sharpener

This two-stage knife sharpener is designed for forming and refining a razor-sharp, long-lasting double-bevel edge. It uses ultra-fine diamond abrasive and precision guides for controlled sharpening of both straight-edge and serrated knives.

AH120

SPECIFICATIONS

Performance

- Sharpens straight-edge and serrated knives
- Forms and refines a double-bevel edge
- Precise bevel-angle control
- Designed for left or right handed use

Construction

- Two-stage sharpening design
- Patented precision guides

Materials

- 100% ultra-fine diamond abrasive

Note:

- **Not intended for medical applications or patient use.**
