THEFT DETECTION

Visible Thief Detection Paste, 2 oz (Various Colors)

The Visible Thief Detection Paste is a weather-resistant, non-toxic paste applied to items subject to theft or tampering to leave an intensifying, hard-to-wash stain on a suspect's hands and clothing. Formulated for outdoor use on items like door knobs, vending machines, and fuel pumps, it is available in various colors to match the surface being treated.

SPECIFICATIONS

Construction

- Designed for outdoor theft deterrence and investigation
- Available in various colors for application
- Color should be compatible to the surface color of the protected item

Performance

- Designed for outdoor use without losing effectiveness to the weather
- Leaves a long-lasting, incriminating stain on skin and clothing in a different color that spreads when washed

Capacity

- 2 oz

Note:

- **We are unable to provide quotes for this product outside of law enforcement agencies or private investigation markets.**
