PATHCAM EQUIPMENT

PathCam Mobile Imaging Station

Mopec's AX260HD/HR Mobile Imaging Station offers a fully integrated, high-definition imaging solution designed for flexibility and precision in pathology and autopsy environments. Built with a durable stainless steel base, articulating arms, and silent-grade casters, it supports the PathCam HD or HR for seamless image capture, live streaming, and documentation. Its ergonomic, mobile design with advanced connectivity and cable management enhances workflow efficiency and remote collaboration.

AX260HD

AX260HR
